Ongoing Projects :

Child Line -1098 Helpline Centres in Aligarh district of Uttar Pradesh:

of

of India.

CHILDLINE 1098 is a phone number that spells hope for millions of children across India. It is a 24-hour a day, 365 days a year, free, emergency phone service for children in need of aid and assistance. This project is being implemented with the support of Childline India Foundation India & Ministry of Woman a service, developed and managed by CHILDLINE India nd Child Development , Govt.

The CHILDLINE Foundation (CIF), is a free 24x7 emergency phone outreach service. Children or concerned adults dial the number 1098, from any phone services in India, and are connected to

the CHILDLINE service in their city. CHILDLINE is India's national-level response to the ratification of the United Nations Convention on the Rights of the Child (CRC). The 1098 service is available to all phone service providers across India. CHILDLINE responds in over 25 languages across India. CHILDLINE teams physically reach children within approx. an hour of the call, provide SOS attention and link children in need of care and protection to organizations run by government departments as well as those run by civil society agencies. Children and youth living alone on urban streets, child labour – especially in the unorganized sector, child abuse, children being victims of the flesh trade, ill treatment of differently-abled children, addiction in children, children in conflict with the law, children in institutions, mental illness in children, HIV/AIDS or other long term diseases in children, children affected by conflicts and disasters or being political refugees, children's families in crises, female foeticide, undernourishment, illiteracy, trafficking – are among the host of issues plaguing children in India and also represents the range of cases handled by CHILDLINE. Each kind of case requires its own unique protocol to be followed. CHILDLINE works closely with Allied systems- Police, Education and Health departments, Railways and Judiciary in order to resolve cases. Initiated in 1996, CHILDLINE currently operates in 543+ districts and 117+ railway stations, through its unique social-franchise network of over 980+ partner organizations across India, and services over 8-10 million calls and 300,000 interventions a year.

We have, running two Childline projects at Aligarh District:

1. **Child Line Colab** : Covering Aligarh city and entire Geographical area of Aligarh district.
2. **Child Line Railway**: Covering Aligarh Railway junction and its surrounded slum area.

Under this project ,we are not only responding to the emergency needs of children of age group-0-18 yrs , but also link them to relevant services for their long-term care and rehabilitation. Since the starting of the Child Line projects,UDAAN Socity has successfully intervened in the 4000 cases reported under Child Line Programme, whereas more than 2000 missing children sent to their parents and families. More than 100 children were provided permanent shelter at Government shelter home. Around 25 Children were rescued and rehabilitated from child trafficking. More than 150 Child labour indulged in child labour were also rescued and rehabilitated with our efforts. A total no of 1242 cases were dealt by both the Childline units during the reported period.

Implementation Support Agency (ISA) Under Jal Jeevaan Mission Programme

Jal Jeevan Mission (JJM)

The “Jal Jeevan Mission-Har Ghar Jal” (JJM) was launched by the Honourable Prime Minister of India on August 15, 2019. The mission, under a Centre-State partnership, aims to equip every village household with a Functional Household Tap Connection (FHTP) within five years. Jal Jeevan Mission is envisioned to provide safe and adequate drinking water through individual household tap connections by 2024 to all households in rural India.

The JJM programme promises an adequate potable water supply of at least 55 litres per capita/day (lpcd) of the quality prescribed by BIS 10500:2012 to every household on a regular, long-term basis.

The programme is based on a community approach to water and includes extensive Information, Education and communication as a key component of the mission. This programme is being implemented in the entire country by respective state governments. In the state of Uttar Pradesh, “**State Water and Sanitation Mission**” under **Department of Namami Gange and Rural Water Supply Department** is implementing this very much important program of Government of India with the active support of Non-Governmental Organizations (NGOs). State Water and Sanitation Mission, Uttar Pradesh has appointed “**UDAAN Society**” as Implementation Support Agency (ISA) under JJM program for two districts of state namely Aligarh and Bulandshahr.

Other Significant Activities carried over :

During the Year 2021 - 22 the UDAAN Society contributed a lot in the achievement of goals and objectives of the organisation as a whole. Almost all the activities were replicated in order to ensure the organization's goals and according to the community requirements. The summary of the different activities done is mentioned below:

Supported district administration in Covid-19 Combating:

Last year entire world was struggling to combat the Covid-19 pandamic. In india also,second wave of Covid-19 pandamic started in the month of Feburary 2021 and continued up to the August,2022 badly. During the period front line workers of Government Departments,civil societies workers were also working as frontline workers and helping the machineries. UDAAN Societiy also played a major role in providing different support to the affected population with available limited resources and manpower:

1. **Provide 3000 Soaps for hand washing to Aligarh Central Jail authority:**

Preventing Prisioers with this very dangerous variant of Omicron was the challenge to the Aligarh Central Jail authorities. According tp the Covid Protection protocole,frequent hand washing with soap, use of sanitizers and masks was required

but due to the limited budget availability he was facing difficulty in this and seek support from civil society in this matter. On his call, UDAAN Society with the helping hands society provides 3000 soaps to jail authority so that prisoners can be prevented from the covid-19 virus by frequent hand washing.

2. **Distribution of hand sanitizers, Masks and raising Covid-19 safety precaution awareness among slums located in Aligarh city:**

Like 1st wave of corona during 1st wave of corona, in the 2nd wave of corona, volunteers of UDAAN Society regularly conducted outreach sessions in different pockets of slums. During outreach sessions, team safety precautions like wearing masks, regular hand washing with soap and keep 2 Mtr distance properly explained to slum dwellers. Team distributes hand sanitizers and Masks also among the slum dwellers. Approx 20000 Masks and 2000 hand sanitizers distributed during last year in different slums.

3. **Provide dry rations to the poor families :**

Due to the corona protocols, a large number of people lost their daily livelihood works and it was very difficult to arrange bread and butter for family. In this situation, UDAAN Society with their limited resource provides dry ration to the **250** poor families. Team UDAAN Society given priorities in distribution of dry ration to those families who have small kids and lost their job due to the Covid-19 pandemic.

4. Dussehra Celebration with slum children:

The Child Line, Aligarh team of Udan Society has celebrated Dussehra (Vijay Dashami) festival with the children living in slums near Agra Road. The purpose of celebrating Dussehra festival was to make children happy who can't enjoy this festival due to the low income of their parents. Our team distributed fruits and sweets to these children. All the children were informed about the emergency number of childline-1098 and its functions.

5.Holi Milan Samaroh,2021

Every year District Administration ,Aligarh has been organising Holi Milan Samaroh with the help of Civil Society at Historic Numais Maidan of Aligarh to raise the community harmony and piece. In this programme different societies and groups have given space to make their independent stall. All the district Level senior officials, honourable M.P ,MLAs and senior leaders of different political parties, Religious leaders and social Workers of the districts make their visits to the stalls and exchanged Holi Gulal and greet each other. This will not only develop better understanding between the Administrators , Politicians ,Civil societies and general masses but raise the communal harmony also in the society. UDAAN Society being a prominent NGO of Aligarh district every year actively takes part on this Holi Milan Samroh. This year program was organised on 18th March,2022 and team of UDAAN Society also participated in this event with full enthusiasm . A big crowd of Aligarhite social circle including all the main dignitaries like District Magistrate Mrs.M Selva Kumari, Commissioner Bareilly, Mr.Ranveer Prasad, Member of Parliament from district Mr.Satish Gautam, MLA Mrs.Mukta Raja, Former MLA Mr.Sanjeev Raja,MLA Mr.Anil Parashar, MLC Mr.Manvendra Pratap Singh, BJP District President Mr.Rishipal Singh visited the UDAAN Society's stall at this occasion .
