Introduction

About UDAAN Society:

UDAAN Society is a national-level NGO registered under the Societies Registration Act, 1860 in the Aligarh district headquarters of Uttar Pradesh with the mission of establishing an infrastructure of accessible services for people, primarily for underprivileged society, using manpower and resources available within communities willing to actively participate leading to an inclusive society. Since the establishment of society, UDAAN society has successfully executed more than 100 social development projects with the support of Government Departments and National as well as International funding agencies. Society has good experience in the implementation of rural development projects in the states of Uttar Pradesh, Chhattisgarh, and Rajasthan. Currently, UDAAN Society is exclusively working in six districts of Uttar Pradesh namely Aligarh, Bulandshahr, Banda, Firojabad, Mahoba, and Etah districts. Altogether our team is operational in more than 650 Gram Panchayats (covering around 800 revenue villages) and 4 cities i.e. Aligarh, Banda, Mahoba, and Shikohabad of Uttar Pradesh state. ***This Annual Report encapsulates our work in the year 2022-23 across the areas of Child Protection, women empowerment, child labour elimination, Water, sanitation, Health and Hygiene awareness and promotion, and community-based village upliftment.***

Mission

To establish an infrastructure of accessible services for persons in areas of low income and primarily for underprivileged society, using as far as possible manpower and resources available within target communities with active community participation and leading to an inclusive society.

Vision

To make people's lives easy by applying the humanistic approach based on equality, justice, and peace and bring them on the way of sustainable development by involving them in the main mainstream of society.

Ongoing Projects :

1. JAL JEEVAN MISSION-HAR GHAR JAL PROJECT

The “**Jal Jeevan Mission-Har Ghar Jal**” (JJM) was launched by the Honourable Prime Minister of India on August 15, 2019. The mission, under a Centre-State partnership, aims to equip every village household with a Functional Household Tap Connection (FHTP) within five years. Jal Jeevan Mission is envisioned to provide safe and adequate drinking water through individual household tap connections by 2024 to all households in rural India.

The JJM program promises an adequate potable water

supply of at least 55 liters per capita/day (lpcd) of the quality prescribed by BIS 10500:2012 to every household on a regular, long-term basis. The program is based on a community approach to water and includes extensive Information, Education, and communication as a key component of the mission. This programme is being implemented in the entire country by respective state governments. In the state of Uttar Pradesh, the “**State Water and Sanitation Mission**” under the **Department of Namami Gange and Rural Water Supply Department** is implementing this very important program of the Government of India with the active support of Non-Governmental Organizations (NGOs). State Water and Sanitation Mission, Uttar Pradesh has appointed the “**UDAAN Society**” as the Implementation Support Agency (ISA) under the JJM program for two districts of the state namely Aligarh and Bulandshahr. UDAAN Society is providing support in community mobilization, capacity building, and making

2. ATAL BHUJAL YOJNA

Atal Bhujal Yojana (or, Atal Jal) is a **groundwater management scheme** launched by Prime Minister Narendra Modi on the 95th birth anniversary of former Prime Minister Atal Bihari Vajpayee, on 25 December 2019. The purpose of the scheme is to improve groundwater management in seven states of India.

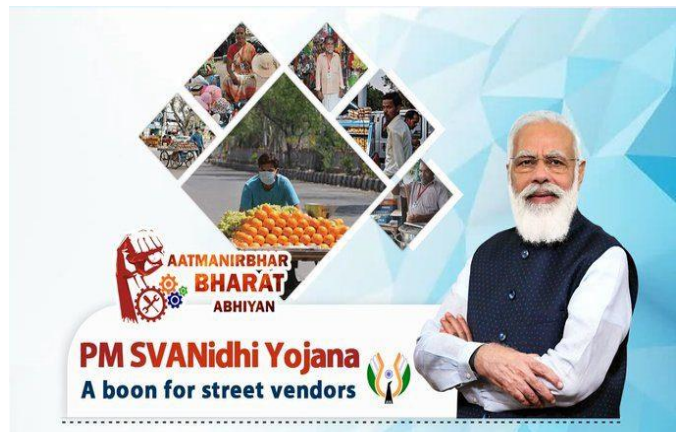

UDAAN society is working as a District Implementation Partner(DIP) under this project in the Banda district of Uttar Pradesh and mobilizing the village community to reduce the wastage of water and recharge the groundwater in such a manner so that the groundwater table started increasing day by day.

Achievements under this projects: Line listing GPS mapping of all ground water sources available in the allocated 11Gram Panchayat's, and Water Security plan has been prepared & Social mobilization and awareness generation on importance of water and need of conservation of water for existence of human life is going on.

3. PM Street Vendor's Atma Nirbhar Nidhi (PM SVANidhi) :

“Ministry of Housing & Urban Affairs” GoI launched a scheme “**PM Street Vendor's AtmaNirbhar Nidhi (PM SVANidhi)**” to empower Street Vendors by not only extending loans to them but also for their holistic development and economic upliftment. The scheme intends to facilitate collateral-free working capital loans of up to INR10,000/- of one-year tenure, to approximately 50 lakh street vendors, to help resume their businesses in the urban areas, including surrounding peri-urban/rural areas. After repaying the loan amount, street vendors may get Rs.20000 to 50000/- loan under this scheme.

UDAAN Society is appointed implementation Agency by the District Urban Development Agency(DUDA), Aligarh under this scheme for the zone-2 area of Aligarh Nagar Nigam in in the year June 2021. Looking to the good work of the UDAAN Society, DUDA has allowed us to support this scheme in the entire coverage area of Aligarh Nagar Nigam.

Achievement under this scheme: UDAAN Society has reached up to more than 4000 street vendors within assigned area in which social profiling of around 4500 street vendors done and more than 3600 street vendors were benefitted with 10 L loan.

4. CHILD HELPLINE

(Child Line -1098 Helpline Centres in Aligarh district of Uttar Pradesh)

CHILDLINE 1098 is a phone number that spells hope for millions of children across India. It is a 24-hour a-day, 365 days a year, free, emergency phone service for children in need of aid and assistance. This project is being implemented with the support of Childline India Foundation of India & Ministry of Woman a service, developed and managed by CHILDLINE India and Child Development, Govt. of India.

The CHILDLINE Foundation (CIF), is a free 24x7 emergency phone outreach service. Children or concerned adults dial the number 1098, from any phone service in India, and are connected to the CHILDLINE service in their city. CHILDLINE is India's national-level response to the ratification of the United Nations Convention on the Rights of the Child (CRC). The 1098 service is available to all phone service providers across India. CHILDLINE responds in over 25 languages across India. CHILDLINE teams physically reach children within approx. an hour of the call, provide SOS attention and link children in need of care and protection to organizations run by government departments as well as those run by civil society agencies. Children and youth living alone on urban streets, child labour – especially in the unorganized sector, child abuse, children being victims of the flesh trade, ill-treatment of differently-abled children, addiction in children, children in conflict with the law, children in institutions, mental illness in children, HIV/AIDS or other long term diseases in children, children affected by conflicts and disasters or being political refugees, children's families in crises, female foeticide, undernourishment, illiteracy, trafficking – are among the host of issues plaguing children in India and also represents the range of cases handled by CHILDLINE. Each kind of case requires its unique protocol to be followed. CHILDLINE works closely with Allied systems- Police, Education and Health departments, Railways, and Judiciary to resolve cases. Initiated in 1996, CHILDLINE projects operate in 543+ districts and 117+ railway stations, through its unique social-franchise network of over 980+ partner organizations across India, and services over 8-10 million calls and 300,000 interventions a year.

We are, running and operating two Childline projects in Aligarh District:

1. **ChildLine Collaboration:** Covering Aligarh city and the entire Geographical area of Aligarh district.
2. **ChildLine Railway:** Covering Aligarh Railway junction and its surrounding slum area.

Under this project, we are not only responding to the emergency needs of children of age group 0-18 yrs but also linking them to relevant services for their long-term care and rehabilitation. Since the start of the ChildLine projects, UDAAN Society has successfully intervened in the 4000 cases reported under the Child Line Programme, with more than 2000 missing children sent to their parents and families. More than 100 children were provided permanent shelter at Government shelter homes. Around 25 Children were rescued and rehabilitated from child trafficking. More than 150 Child labour indulged in child labour were also rescued and rehabilitated with our efforts. A total of 1242 cases were dealt with by both the Childline units during the reported period.

Our Achievements under this project: Instrumental to bring around 4500 missing children to their families and providing permanent shelter to more than 175 of parent less child's, Intervened and stop around 100 child marriages, Provide ration to 1000 of families with children during Covid-19 pandemic, Rescued more than 20000 children needs various type of help etc.

5. OPERATION AND MANAGEMENT OF THE SHELTER HOMES PROJECT

The shelter homes are constructed under the central government's Shelter for Urban Homeless Scheme (SUH), which is a part of the Deendayal Antyodaya Yojna-National Urban Livelihoods Mission (DAY-NULM). The scheme is funded by the central and state governments in a ratio of 60:40 in most cases.

The concept of the construction of shelter homes for the urban homeless is to provide permanent shelters with basic infrastructure facilities like water supply, sanitation, safety, and security to the people who do not have a place to live in the cities. The shelter homes are also meant to improve the quality of life and livelihood opportunities of the urban homeless population.

After construction, these shelter homes are given to reputed NGOs for 4 years for their smooth operation and maintenance. Thereafter, concerned Municipal Corporations will operate and maintain these shelter homes.

In Uttar Pradesh State Urban Development Agency(SUDA) has constructed shelter homes with all basic amenities in the various cities. 03 No's of the constructed shelter homes located at Banda, Mahoba, and Shikohabad are given to UDAAN Society by SUDA for smooth operation

Achievements under this projects: More than 1500 urban shelter homes are benefitted from our's operated shelter's home. These shelter homes are providing stay facilities to urban poors and homeless 24*7 with essential facilities like bed,matress,blanket,utensils with Gas for cooking food.

maintenance and its management.

6. PARTNERSHIP WITH AALI

(A project on gender disparities and discrimination issues and gender-based violence risk)

AALI (**Association for Advocacy and Legal Initiatives Trust**) is a women-led and women-run organization that works to protect and advance the rights of women, children, and marginalized communities. AALI has a direct field presence in U.P, Jharkhand, Uttarakhand and Bihar. AALI also works on women's issues such as Violence against women, sexual and reproductive health rights, access to justice, governance, and accountability.

UDAAN Society has had a partnership agreement with “**AALI**” **since the year 2015**. Under this partnership, we are supporting needy women by linking them with different Government schemes, supporting them to fight atrocities and violence, providing legal Aid to rape victims & Acid Survivors, Providing Family counseling services, etc.
