FROM PRESIDENT'S DESK

This is really a great moment for us to present this annual report for the financial year 2023-24 before all of you. UDAAN Society over the last decade has established itself as an organization

Dr.Gyanendra Mishra

committed to the welfare and empowerment of economically and socially deprived sections of the community, child welfare & protection, and the overall development of the nation. The organization has worked with multiple stakeholders: governmental departments, media, international and national NGOs, and bilateral agencies. Taking impetus from its previous work UDAAN Society, this year also significantly contributed to child welfare and protection and successfully rescued more than 200 children (Lost and found, begging child, child labour, asking help) and protected 05 girl child from child marriage under the partnership with Childline Foundation of India under Childline-1098 project of Ministry of

Women and Child of Government of India. We continued running and managing our old three Shelter Homes located in Mahoba, Shikohabad, and Banda districts of Uttar Pradesh successfully this year too under partnership arrangement with the State Urban Development Agency (SUDA) and provided free stay facilities with full dignity to more the 800 homeless people coming in these cities for their livelihood and other reasons who can't afford hotel stay.

I am delighted to share that our society has successfully providing implementation support to the Govt. of India supported "Jal Jeevan Mission" project in two districts Aligarh and Bulandshahr in the state of U.P. since the year 2021 and till the end of F.Y 2023-24 our team is successfully constituted 580 Gram Panchayat Water and Sanitation Committee in the allocated districts and educates more than 5 lakh villagers and 5 Lakh school students on WASH issues. We are successfully prepared Water security Plans in 11 G.P's of Banda district under Govt. of India Supported Atal hujal Yojna in water scare Bundelkhand region of U.P. This year, we continued our good work under PM Svanidhi Project and becomes instrumental in enhancing financial status and capabilities of more than 3000 more urban poor (street vendors) by providing micro-credit facilities to them. To raise the community awareness and ensure community/social mobilization on various government program, this year society also designated days and events are being celebrated globally every year and our organization is playing an important role in Aligarh and other project districts since the last 4-5 years. This year our organization celebrated International Yoga Day, Global Hand washing Day and International Girl Child Day with engaging civil societies and community-based organizations. I thank the leadership team, senior management, and the entire staff members for their positive attitude, commitment, and teamwork. They embodied the true Hand in Hand spirit of passionate work. I thank the various Central and State Governments Departments for their encouragement and faith in our work. I sincerely thank our esteemed Board members also for their time, support, and guidance throughout the year. The new year brings new opportunities and we look forward to creating high-impact programs that align with community need and Government priorities.
